Gloria

- In measure 42, be sure to cut off on beat 3.
- In measure 46, be sure to cut off on beat 2.
- Basses, change your note in measure 52 to a quarter note. (The half note is a typo.)

Waldesnacht (Brahms)

- We sang through this piece again (not with the German language...yet).

Sanctus

- We sang through this, too. No new changes.

Vienna

- Sopranos, altos, and tenors, make a “violent crescendo” in measure 19.
- Tenors, write in (and sing) the words “nah nah” on your moving notes in measures 27 and 28.
- Tenors and basses, sing “oo” instead of humming in measures 67-70. The change to “ha” in measures 70-71 should be louder.

Heil sei euch Geweihten (Mozart)

- We sang through this piece again.

Hallelujah (Beethoven)

- Crescendo from measure 11 into measure 12.
